BUSINESS EXCELLENCE WORKSHOP

Tuesday, August 31, 2010 • 1:00 - 4:00 pm

The Workforce Investment Board is hosting a workshop for small businesses to improve processes, and avoid layoffs. The County is partnering with DEIVIN Consulting to provide a unique program that will show businesses how to become more efficient and find opportunities to grow. This training program introduces Lean Six Sigma methods designed to improve business performance, reduce costs, and develop a sustainable business plan.
